

Scoping Inquiry Report

I commend the courage of everyone who has disclosed their experience of abuse at the hands of Carmelites and lay staff. The Carmelite Order failed you in not responding adequately and definitively at the time. We also failed parents who entrusted their children to us. I am deeply sorry.

Therapy and support are available to everyone who was harmed. These can be accessed through our safeguarding office at 0871947212 or DLP@gortmuire.com
